NEWS LETTER

Aug - Sept 2021

"Education is a shared commitment among motivated students dedicated teachers and enthusiastic parents with high expectations"

Dear Students, Staff and Parents,

Our actions are born from our thoughts, our thoughts are the product of our values, and values come from our own belief system, if we believe life is miserable, we attract misery; if we believe life is beautiful, we attract happiness. We get what we focus on; so, focus that good things would happen to our children. This is one of the strong variables, which would impact our children.

With the celebration of Teacher's Day we reaffirm our dedication and untiring efforts to ensure academic success for our children. Parents should also inspire their child to use that success in a way that influences positive change in the world. So let us jointly put efforts in bringing up the best of our children.

CELEBRATING RAKSHA BANDHAN WITH OUR BROTHER SERVING IN ARMED FORCES
*"You have never lived until
You have almost died,
And for those who choose to fight,
Life has a special flavor,
The protected will never know!!! "*
(Captain R Subramaniam, Kirti Chakra)

Students of DMA had expressed their love and gratitude to the soldiers serving the Indian Armed Forces by sending them self-prepared Rakhis before Raksha Bandhan. Many of our valiant soldiers serving at border outposts, far from their families, have written letters expressing their love and blessings for these tokens of love from the students.

75TH INDEPENDENCE DAY CELEBRATIONS IN DMA
*"For to be free is not merely to cast off one's chains,
but to live in a way that respects and enhances the
freedom of others." --Nelson Mandela*

India celebrated its 75TH Independence Day on August 15, 2021 to commemorate the day when it got its independence from the oppressive British Raj after over two centuries of imperial rule and colonization. The students and staff of DMA have always celebrated Independence Day with full zeal and ardour. This year on account of the coronavirus pandemic, the celebration was without the students, with minimal staff attending with all health and safety measures and practicing social distancing. Yet, the fervour and the spirit of Independence Day was amply evident in the unfurling of the National flag by the Principal Dr (Mrs) Ritu Dewan, rendition of the National anthem by the staff members and distribution of sweets.
